

## Privacy Policy:

We at i-grit solution recognize the importance protecting your personal information and we are committed to safeguarding your privacy online.

i-grit solutions recognize created this privacy policy to inform our website users (including user of feature and functionality on our website), even registrants / participants, newsletter / information recipients, promotion participants, purchase or inquires about our products and services, and other (Collectively referred to as "Costumers") about our practices identifiable information ("personal details") that we collect from them.

## Links to Other Web Sites

The I-Grit Solutions Technologies site may contain links to other Web sites. Please be aware that this privacy statement applies solely to the information collected on the I-Grit Solutions Technologies site. I-Grit Solutions Technologies is not responsible for the privacy practices or the content of such Web sites. We encourage you to be aware when you are leaving the I-Grit Solutions Technologies site and read the privacy statements of the site that you visit prior to providing any personal information.

## Changes to this Privacy Statement

As we continue to develop our Web site and take advantage of technologies to improve the service we provide, this policy may change. If this policy does change, we will post the changes here. In addition, if we materially change any of our practices related to the collection and use of personal information, we will either notify users via e-mail or post a prominent notice on our website. After any change, we will also revise the "Page last updated" date at the bottom of the privacy statement. We therefore encourage you to refer to this policy on an ongoing basis so that you understand our current privacy policy and how we are protecting the personal information we collect.

## Our websites and cookies

I-Grit Solutions website utilizes visitor log files or cookies as well as hosted tracking with our website. The information collected with visitor cookies and through the hosted tracking is used to gain a better understanding of which sections of our site are most important to our users as well as identify possible navigation issues. This allows us to enhance your user experience in the future. The data collected from these visitor cookies and hosted tracking does not collect any personally identifiable information and is used in aggregate form only.

## Contact Preferences

We want to keep in touch with you in ways that you find to be beneficial. By submitting personal contact information, you are agreeing that we may communicate with you via email, telephone, direct mail, and/or other means of communication.

## Access

To keep personal data provided by you accurate, current, and complete, please contact us as specified in the "Contact Us" section. We can then take appropriate steps to update or correct such information in our possession, or to delete your information from our contact list.

## Contacting our Web Site
